			2022		
CAPITAL	<b>BUDGET</b>	AND	CAPITAL	<b>IMPROVEMENT</b>	<b>PROGRAM</b>

This section is included with the Annual Budget pursuant to N.J.A.C. 5:30-4. It does not in itself confer any authorization to raise or expend funds. Rather it is a document used as part of the local unit's planning and management program. Specific authorization to expend funds for purposes described in this section must be granted elsewhere, by a separate bond ordinance, by inclusion of a line item in the Capital Improvement Section of this budget, by an ordinance taking the money from the Capital Improvement Fund, or other lawful means. CAPITAL BUDGET - A plan for all capital expenditures for the current fiscal year. If no Capital Budget is included, check the reason why: Total capital expenditures this year do not exceed \$25,000, including appropriations for Capital Improvement Fund, Capital Line items and Down Payments on Improvements. No bond ordinances are planned this year. CAPITAL IMPROVEMENT PROGRAM - A multi-year list of planned capital projects, including the current year. Check appropriate box for number of years covered, including current year: 3 years. (Population under 10,000) 6 years. (Over 10,000 and all county governments) years exceeding minimum time period.

Check if municipality is under 10,000, has not expended more than \$25,000 annually for capital purposes in immediately

previous three years, and is not adopting CIP.
